## 40 SERIES GAS/HEAVY DUTY

- Model 40-6S EVEN HEAT HOT TOP ATTACHMENT on storage base with door
  - Model 40-6T MODULAR EVEN HEAT HOT TOP ATTACHMENT
- Gas Type    ■ Natural    ■ Propane

### EVEN HEAT HOT TOP ATTACHMENT

Model 40-6S Shown with optional 10" low profile backguard.

#### COOKING TOP

The Even Heat Hot Top is designed to provide extra cooking surface when a full range is not needed or space is limited. A 17" wide × 27" deep cooking top is designed with extra heavy cast iron smooth surface. A 30,000 BTU "H" type burner heats evenly. Heavy gauge aluminized steel radiation baffle assembly requires no fire brick and increases thermal efficiency in transferring heat to the cooking surface. Aluminized steel under total cooking surface resists structural deterioration due to spillage, food acids, and heat intensity.

#### STORAGE BASE

For maximum space utilization, the cooking surface is available with a high quality Garland storage cabinet.

Like the modular top, the storage base unit is designed to connect and match with all Heavy Duty 40 Series equipment.

A solidly-constructed, complete cabinet—17" wide by 35" deep, attractively designed with stainless steel full-sized hinged door and metal floor, provides a convenient, concealed, and sanitary area for pots, pans, and other cooking items.

Double deck high shelves, single deck high shelves, and backguards are available and recommended for use with range attachments.

#### FEATURES

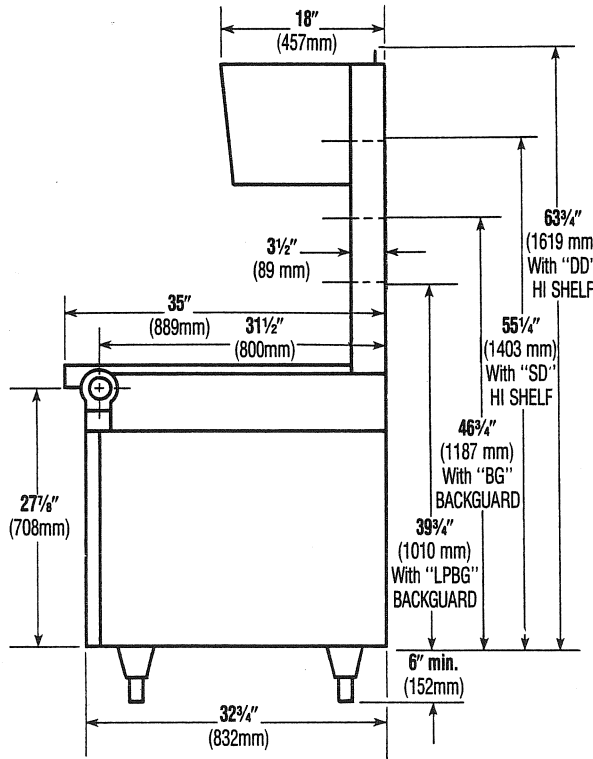

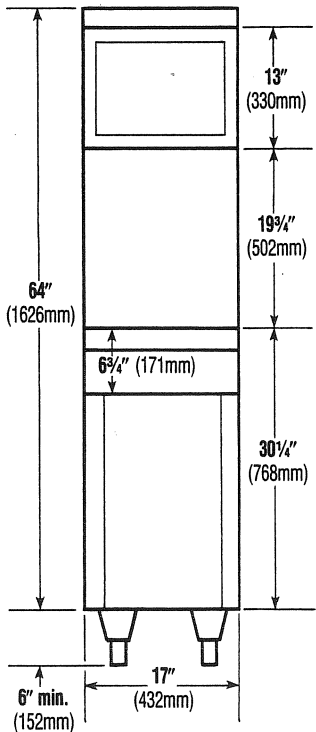

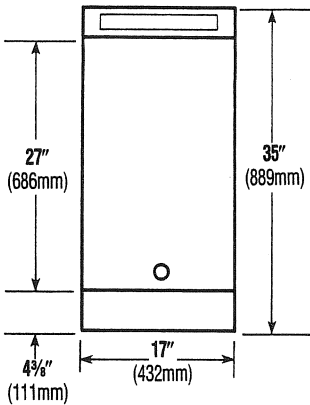

- Stainless steel front is standard.
- Storage Base model includes S.S. door.
- 1 year limited parts and labor warranty is standard.
- 30,000 BTU "H" type burner.
- Extra heavy EVEN HEAT cast iron top.
- Heavy gauge aluminized steel radiation baffle system.
- Automatic burner ignition.
- Chromed steel legs standard.

#### OPTIONS and ACCESSORIES

- Stainless Steel left side
- S.S. right side
- S.S. both sides
- S.S. back
- Double Deck S.S. Hi-Shelf
- Single Deck S.S. Hi-Shelf
- 10" S.S. Low Profile Backguard
- 17" S.S. Backguard
- Modular Stand
- Toe Base (S Model only)

# EVEN HEAT HOT TOP ATTACHMENT GAS/HEAVY DUTY

**40 SERIES**  
17" Wide ×  
35" Deep

## DIMENSIONS & SPECIFICATIONS
