RECOMMENDED STOCK PARTS

Manufacturing have stopped using the (3) position oven rack guide R/H part number 2297701, and also the L/H side, part number 2297700. The part number of the new (4) position over rack guide which can be used on left & right side, is P/N 4518127. This new rack guide assembly will mount in the same method as the current (3) position guide however, when replacing the old with new style, both will have to be replaced because the over rack will not sit at the same height from side to side. A kit is available which will include a qty. of (2), part number 4518127. The kit number is 4519545 (Two 4518127 oven rack guides).

First unit manufactured with the new (4) position oven rack guide P/N 4518127 is:

Model: H288-0017

Serial: 0410100109744

Work Order: SR24803

Implementation Date: Nov 5/04
