Remote Refrigerated Base shown with optional casters

Standard Features:

- Refrigerator/Freezer cabinet interior, front and side stainless steel
- Drawers and cabinet are 100% "shot in place" foam insulation
- Self closing drawers with heavy duty 2" (51mm) skate wheels with a stainless steel tract
- Heavy duty, long life PVC drawer gaskets
- Center located, flush mount handle for positive opening and reduced stress points on drawer
- Easy to remove drawers for cleaning and set-up
- No exposed fasteners
- Designed to accommodate standard hotel pans in configurations to suit your needs

- Front, face mounted dial thermometers
- Blower coil evaporator with R-404A expansion valve standard
- Internal conduit for single point electrical connection
- Sleeves provided for refrigeration and drain lines
- Stainless steel adjustable 6" (152mm) legs

NOTE: Electrical junction box, drain line and refrigeration are all standard left rear connection. Compressor by others. Consult factory for other locations.

Optional Features:

- Padlock assemblies
- 6" (152mm) casters, front locking (5"/127mm diameter wheel)

Specifications:

US Range low height Remote Refrigerated or Freezer Base model _____ to be exclusively used under US Range Heavy Duty Cuisine Series modular tops. Stainless steel refrigerated or freezer base interior, front face, drawers and sides. 3/8" (10mm) radius bottom and vertical corners of inner liner. Bottom and back of base of galvanized steel. 100% polyurethane shot-in-place foam, free of any CFCs insulation for cabinet and drawer faces. Stainless steel self closing drawer track assemblies with heavy duty 2" (51mm) skate wheels with concealed bearings. Heavy duty, long life PVC drawer gaskets. R-404A blower coil evaporator with expansion valve, concealed pre-wired electrical conduit to a single point connection, dial thermometer and sleeve for drain and refrigeration lines. 6" (152 mm) stainless steel legs with 2" (51mm) adjustable bullet feet.

NOTE: Bases supplied with casters must be installed with an approved restraining device.
